EXPERIENCE

Media Services, Carthage College - *Media Services Technician*

April 2023 - PRESENT

- Troubleshooting tech problems for staff and students at the school in an official capacity.
- A lot of experience dealing with difficult people, most of which are only talking with me because their day/class has been ruined by some major tech problem.

Competitive Gaming

August 2019 - January 2023

- Achieved rank #1 in North America individually in a highly competitive setting.
- Achieved rank #3 globally as a group, while playing an absolutely essential leadership role towards accomplishing that.
- Thrived in a fast paced setting that demanded strong coordination and organizational skills.

EDUCATION

The Clearwater School, Bothell WA - *High School Diploma*

March 2018 - June 2021

Carthage College, Kenosha WI - *Bachelors in Computer Science*

February 2023 - 2027 EXPECTED
